

## LEVELS OF SKILLS CONFIDENCE BY THEME

Your *Skills Confidence Inventory* results describe how you perceive your own capabilities in performing activities related to the same six broad areas represented by the General Occupational Themes. Keep in mind that these results may not reflect your actual abilities; the results reflect how you rate yourself. Your own rating may influence what kinds of activities you try or avoid and may determine what occupations or educational programs you consider as possibilities for exploration.

Your confidence in each of the six areas is shown below in rank order. Your Skills Confidence Theme code summarizes the areas in which you feel most confident performing particular activities. Your Skills Confidence Theme code is ASI.
